

Food Bank Reverse Advent Calendar

New Road Youth Club - Challenge

Thank you for joining in with collecting things for our Black Country Food Bank for people in need both at Christmas and in the New Year. We are looking for your help to collect items through December and then drop off at New Road Church in the New year so we can take the donations to the Foodbank. Maybe you could ask family members or friends to help out – but only collect from them when it is safe to do so
